Oxygen

Performed by Maia Mitchell
Written by Antonina Armato
Published by Downtown DLJ Songs obo
Tom Sturges Music (ASCAP)

Baby tell me is this good for you
'Cause for me it's a dream come true
I think about you boy day and night
If this is wrong I don't care if I'm right

'Cause I know one thing's for certain
Boy I'm not hurtin' for inspiration
And I feel when we're together
It could be forever and ever and ever

CHORUS

I wanna be the ocean to your shore
Bring you comfort evermore
I wanna be the only thing you need
Be the oxygen you breathe

Is this as good as I think it is
'Cause right now I'm so into this
And there's nothing more that
I would ever ask for
Than to be with you
Just to be with you

'Cause one thing's for certain
Boy I'm not hurtin' for inspiration
And I feel that when we're together
It could be forever and ever and ever

Chorus

What you give you will receive
So baby bring it all to me
And I will warm you like the sun
I always knew you were the one

Chorus

Surf Crazy

Performed by Spencer Lee, Keely Hawkes and Cast
Written by David Lawrence and Faye Greenberg
Published by Walt Disney Music Company (ASCAP)

Blue sky
Gentle breeze
What a day
Sunshine
And sweet harmonies
Time to play
No more complications
From now on just
good vibrations

On my way
Feelin' fine
I can see my reflection
In my surfboard's shine
I can hardly wait
To cause a commotion
Come on everyone
Jump into the ocean

Flyin' high
Just outta reach
No ands, ifs, buts we're
nuts for the beach

CHORUS

Surf, surf (wooooooo)
Surf, surf crazy
Ride the perfect wave
Say hi to the sky
Surf, sun, sand
It's a bikini wonderland
Summer's on and we've gone
Surf, surf crazy

The radio blasts
And here's the plan
We'll soak up the sun
And get the ultimate tan
We can hardly wait
To show our devotion
Here we go again
Into the ocean
Now's the time, so here's the speech
No rules at all, have a ball at the beach

Chorus

Burgers hot
Water warm
A cool seaside bash
Catch a wave
Turn it up
Make a splash
Make a splash
Make a splash
Owwww

I'm Tanner
Seacat
Giggles
Rascal
Kiki
Brady
I'm Mack

Cowabunga attack

Surf, surf (wooooooo)
Surf, surf crazy
Ride the perfect wave
Say hi to the sky
Surf, sun, sand
It's a bikini wonderland
Summer's on and we've gone
Summer's on and we've gone
Summer's on and we've gone
Surf, surf crazy

Cruisin' for a Bruisin'

Performed by Ross Lynch, Grace Phipps and Jason Evigan
Written by Jason C. Miller, Nikki Leonti, Mitch Allan and Jason Evigan
Published by Walt Disney Music Company (ASCAP)/
Wonderland Music Company, Inc. (BMI)

You better run, run, run, here we come
Revving our engines under the sun
You're cruisin' for a bruisin'
Ooh, keeping it cool, smooth and steady
Slick black hair, man, things are getting heavy
You're cruisin' for a bruisin'

Two wheels and an open road
Wrapped in leather and ready to go

CHORUS

Don't stop, stop the music
We ride fast like a bullet
We do anything we want,
anytime we want… Oh yeah, oh yeah
We just ride, ride, ride all day
We're not gonna live, any other way

LELA

Bubblegum cherry pop go to the hop
Hangin' with my brother 'cause his friends are so hot
While they're cruisin' for some bruisin'

BRADY

Alright, I went to the drive in what did I see
A hundred little betties all staring at me
I was cruisin' for some lovin'

I got these two wheels and an open road
Just pop that clutch, I'm ready to go

Chorus

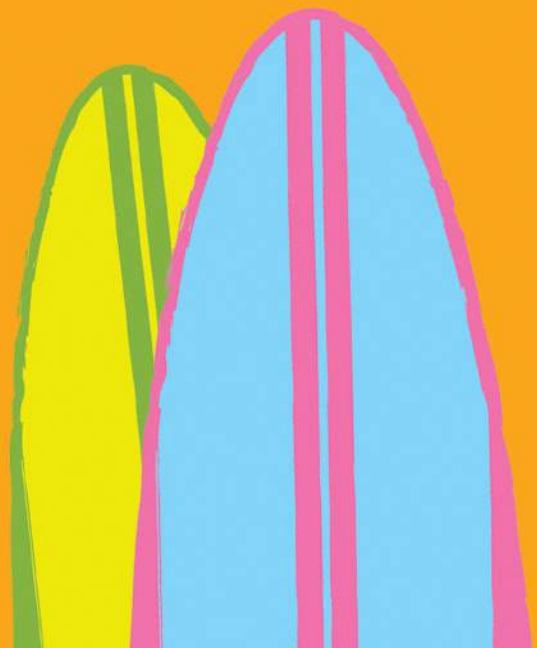
No, we're not gonna live any other way
Oh no, we're not gonna live any other way

1, 2, 1-2-3
Who, who, who's riding with me
I got a gang full of bruisers all cruisin' with me
And we're tearin' up
We're tearin' up
We're tearin' up the streets, oooo

Ahhhhhhhhhhhhhhhhhhhhhh

Chorus 2x

No, we're not gonna live any other way
Oh no, we're not gonna live any other way, oooo



Falling for Ya

Performed by Grace Phipps
Written by Aris Archontis, Chen Neeman and Jeannie Lurie
Published by Wonderland Music Company, Inc. (BMI)/Walt Disney Music Company (ASCAP)

The day started ordinary
Boys walking by
(oohh oohh)
It was the same old story
Too fresh, or too shy
(oohh oohh)

I'm not the kind
To fall for a guy
Who flashes a smile (it goes on for miles)
Don't usually swoon
But I'm over the moon
('Cause he was just too cool for school)

CHORUS

And now I'm falling for ya
Falling for ya
I know I shouldn't but I
I just can't stop myself from

Falling for ya
Falling for ya
Can't hold on any longer
And now I'm falling for you

Now we're going steady
He's the cat's meow (meow, meow)
He says I'm a betty
And we paint the town
(oohh oohh)

I'm not the kind
To fall for a guy
Just 'cause he says hi
(when he's cruising by)
He's ready to race
And I'm catching his gaze
(They'll go on like this for days)

Chorus

Feels like I tumbled
From another world
Into your arms
And it's so secure
Maybe I'll stumble
But I know for sure
Head over heels
I'm gonna be your girl

Chorus

Meant to Be

TANNER
I believe we all have a soul mate
The chance for a perfect duet
I believe in hopeless devotion
I just haven't found her yet
But in my mind I see
The chick who is meant for me

She'll be someone who is lovely
Someone wonderful and true

LELA
The kind of boy who makes you smile
Even when you're feeling blue

TANNER/LELA
And I know, I know he's/she's out there
Most definitely

TANNER
Oh yeah

LELA
Not a phony or a fake

LELA/TANNER
Sweeter than a chocolate shake
My "meant to be"

CHORUS
When it's meant to be
You go kinda crazy
Meant to be
You forget your own name
When it's meant to be
That's destiny calling
And nothing ever will be the same
Oh yeah

McKENZIE
You need a girl who's into music
To ride up high on Cupid's wings

BRADY
Find that boy with perfect hair
Hello, Hollywood ending with strings

McKENZIE/BRADY
Oh, I know, I know he's/she's out there
Can't you see?

BRADY

the one you'll never forget
Your "meant to be"
When it's meant to be

BRADY

McKENZIE/BRADY
Meant to be

McKENZIE
All the clouds depart

McKENZIE/BRADY

And if you listen you'll find your heart

LELA/McKENZIE
Four eyes meet
And the meet is sweet
Could it lead to something more?

BRADY/TANNER
What's the deal
When the way you feel
Is something you've
never felt before?

LELA
Oh…

TANNER
Gee…

BRADY

Can't Stop Singing

Performed by Ross Lynch and Maia Mitchell
Written by Aris Archontis, Chen Neeman and Jeannie Lurie
Published by Wonderland Music Company, Inc. (BMI)/
Walt Disney Music Company (ASCAP)

McKENZIE
What's going on?
This can't be happening
Don't tell me it's a song

BRADY
It's a song

McKENZIE
This wasn't how I planned it
Can't you see that this has gone too far
Please just pause the DVR
Someone won't you make it stop
I'm losing my mind

BRADY
I don't see a problem

McKENZIE
Everything I say, it rhymes
Here comes another line

BRADY
Just close your eyes
if you don't want to see

McKENZIE
What's next, choreography?
Someone won't you make it stop

McKENZIE/BRADY
CHORUS
Oh, I can't stop singing
Make it stop, make it stop
Am I real or just a prop?
Oh, I can't stop singing
So let's just talk

McKENZIE
Talk talk
It's just a song
An inefficient way to move the story along
I'm done

Mm mm mm

BRADY
You're just being cynical

McKENZIE
No, it's just the principle
Someone won't you make it, make it stop

BRADY
Don't make it stop!

Chorus

McKENZIE/BRADY
Talk, talk
Talk talk talk talk talk talk talk talk talk
Talk talk talk talk

McKENZIE
We're trapped inside a
musical revue

BRADY
At least I'm here
with you
I don't want to
make it stop

McKENZIE/BRADY
Oh, I can't stop singing
Make it stop, make it stop
Am I real or just a prop?
Oh, I can't stop singing
Does it stop
Does it stop
Is it ever going to stop
Oh…
I can't stop singing
So let's just…

McKENZIE
Talk

Uh, it's over!

Produced by Jens Koerkemeier and Evan "Kidd" Bogart

It almost feels like it was just a dream
All these memories of you and me
Blown away in the summer breeze

It almost feels like we just never were
All that time we spent was just a blur
Now it's just me and a melody

So what am I
Supposed to do
'Cause all these plans
We made in the sand are through
Without you

I'm on my own
Am I gonna be alone
And if it's only me, myself, and I, will I be fine
So far from home
And I just don't know
Am I gonna make it
Brave enough to take this road
Out on my own

Looking in the mirror it's hard to see
All these choices that I'm caught between
Who I should or who I wanna be

I wanna stand and take this wave
And ride into a brighter day
I'll take a chance and bet on me

I think that I
Know what to do
I got all these plans
I'm a one man band it's true
Now I can't lose

Out on my own
Never gonna be alone
As long as I got me, myself and I, I'm doing fine
So far from home
I just don't know
Am I gonna make it
Brave enough to take this road
Out on my own

Oh oh oh
Out on my own
Oh oh oh
Out on my own

And maybe I'm falling
On my face
Or maybe I'm landing
In my place
And maybe we're a million miles apar
Or maybe we're standing heart to heart
But no matter what, I'm walking right off this stage
And never lookin' back, lookin' back to yesterday
No way
No way
I'm on my own

I'm on my own
But never gonna be alone
As long as I got me, myself, and I, I'm doing fine
So far from home
But now I know that
I am gonna make it
Brave enough to take this road
Out on my own

Oh oh oh
Out on my own
Oh oh oh
Out on my own

It almost feels like it was just a dream
All these memories of you and me

It's better in a story
Always clever, never wordy,

Whoaaa
It's better when you wake up
Minty breath and perfect makeup,
you're a work of art
And no one ever breaks your heart

You gotta play the scene
Up on the silver screen
No matter where you've been
Good times are zooming in

You can dream but no one sleeps
Say a bad word and it bleeps

BRADY
You can have and eat your cake
Never need a bathroom break

Thing is, honey, I'm unique
Forever chillin' and tryna catch some rays

C'mon and feel this beat, 'cause I gotta be me
Ya let it move those feet, it'll set you free
C'mon, ya need to see, that I gotta be me

MACK
Like you, I'm o-rig-i-nal
Tryna move this world from where it's at

You're laid back, and I get stressed
Yet whenever we're together, we're more than that
My motto's seize the day and night
And yours is let's go with the flow
That's no reason to say goodbye
Not if you're fast enough for a girl on the go

MACK/GIRLS
March to the beat
I march to the beat, gonna do my thing
March to the beat
I march to the beat, gonna do my thing

Chorus

C'mon, ya need to see, that I gotta be me
I gotta be, gotta be, gotta be me

Ya let it move those feet, it'll set you free
C'mon, ya need to see, that I gotta be me

LELA
And there's a fresh breeze headed
down the beach
Saving me from the heat
A new beginning on a wave
Of endless possibilities
I feel a good change comin' round the bend
I can't help but to move my feet
It's a different story 'cause I changed the end
I make my own destiny
I make my own destiny

MACK
I make my own destiny
I make my own destiny
